

Dear Community Member,

Trusting kids is revolutionary. What if the answers to our world's biggest problems were already being imagined in the minds of our young people? What if the key to unlocking this potential was trust? When we trust young people they begin to trust themselves, they see their power, their possibility and their potential.

Camp Stomping Ground has a remarkable history of providing life-transforming experiences for children in our area. Our camp is dedicated to inspiring youth to build radically empathetic communities through humble curiosity, personal responsibility, restorative practices, and unbounded creativity. ***A cornerstone of this mission is our commitment to equity and ensuring that all kids can come to camp regardless of the financial situation of their families.*** This is made possible through our trust-based sliding scale tuition program, as well as the numerous local community partnerships we have cultivated to provide camp opportunities to kids in their programs.

We are thrilled to announce a new program that reflects our unwavering commitment to community stewardship. We are reaching out to local businesses like yours to join hands with us in sponsoring scholarship spots for young campers. This partnership offers you the chance to actively participate in creating a positive change in our community, aligning with our mission of inclusivity and access.

Sponsorship levels start at \$2,500 per two-week camper spot, and you can support one or more campers in having a meaningful experience at Camp Stomping Ground. As a sponsor, your business will be prominently recognized in our promotional materials, website, and social media channels. We're committed to collaborating with you and will provide you with these promotional assets for your use. This partnership extends beyond financial support; it's a chance for you to connect with our local community. Your support will benefit community programs, including Big Brothers Big Sisters of Albany, Project Lift, Captain, Well Spring, and more.

**Our aim is to fund up to 50 community scholarships this year.**
